

A Gift to Mizpah 7-House

Mizpah Transition House received \$1,237 from the Canadian Women's Foundation's seventh annual Shelter from the Storm campaign. Working with their partners; Winners, Home Sense and Rogers Media, the campaign ran from April 11 to May 8, 2011. Of the money raised, half will be distributed to more than 400 shelters for abused women across Canada, and the other half to their annual violence prevention grants. Thank you to Winners, Home Sense, Roger's Media and to the Canadian Women's Foundation.

Thank you!
